

ADMINISTRATION 21 – Attendance Areas

Original Date: March 13, 2013 Revised Date:

Responsible Administrator: Deputy Superintendent

1.0 RATIONALE

- 1.1 While resident students and students enrolled under an Education Services Agreement are designated to attend schools in attendance areas established by the Board, educational or programming needs of students or student/parent preferences may warrant consideration of allowing attendance at a school other than the designated school.

2.0 PROCESS

- 2.1 The Deputy Superintendent is delegated the responsibility to maintain this Administrative Practice.

3.0 GUIDELINES

- 3.1 Resident students may register in schools other than their designated school providing there are sufficient resources and facilities available to accommodate the student. Resident students may register in programs of choice (e.g. Logos, French Immersion) at Division schools.
- 3.2 When a student attends a school outside a designated attendance area, transportation may become the parent(s)/independent student's responsibility.
- 3.3 As outlined in Policy ~~F/I/16~~ ~~G/I/15~~ Student Placement Appeals and Administrative Practice Student Services 18 – Student Placement, a student may be directed by the Deputy Superintendent, or designate, to attend a school out of the student's designated attendance area.
- 3.4 Non-resident students may be enrolled providing there are sufficient resources and facilities available to accommodate the student.
- 3.4.1 The determination of adequate resources and facilities shall be delegated to the school principal.
