

## **1.0 POLICY**

- 1.1 Governance and oversight of schools within Sturgeon School Division No. 24 is the responsibility of the Board of Trustees.
- 1.2 The School Board, through policy, sets the vision, establishes the parameters for division operations and approves the budget.
- 1.3 Within this context, the Board of Trustees supports a centrally coordinated approach to school based decision-making.
- 1.4 The Board believes that, at all times, school based decision-making must focus on maintaining high standards for teaching and learning.
- 1.5 Schools and all services are given full responsibility and accountability for results within the parameters and guidelines established by Board Policies, Admin Practices, and division planning documents and, through the Superintendent, are held accountable for their results.
- 1.6 The Board supports school councils, school based staff, parents, students and/or community members participating in school based decision-making.
