

1.0 POLICY

- 1.1 The Board believes that the Sturgeon school student transportation system was established to provide transportation for students who are residents of this system.
- 1.2 The Board believes that students who do not reside in this jurisdiction, hereinafter called non-resident students, may be permitted access to the transportation system, provided sufficient seating accommodation and resources are available on the appropriate bus.

2.0 GUIDELINES

- 2.1 The Board may establish non-resident student transportation fees and this will be reviewed annually.
