

WORKERS COMPENSATION GUIDELINES

Coverage

Workers' Compensation coverage is available to all staff and specific teachers. Teachers are only covered while they are teaching, or performing duties related to teaching, courses in industrial education or home economics. Principals and Vice Principals are covered only while performing administrative duties pertaining to managing the business of the school, or while teaching industrial education or home economics courses.

If An Injury Occurs At The Workplace: Contact the Health and Safety Generalist:

Employee Responsibility

- Advise your Supervisor and/or Principal immediately
- Seek medical attention if required
- Occupational Injury Services (OIS) clinics are available throughout Edmonton. These usually offer shorter wait times for medical attention. Consult with your Supervisor or People Services to call ahead for an appointment
- Complete the WCB Worker's Report of Injury if, due to the injury, you:
 - Seek medical attention
 - Miss any time from work beyond the date of accident
 - Modify or change your work
 - Cannot perform your regular duties
- Email the completed **Workers Report of Injury** to safety@sturgeon.ab.ca or fax to 780-939-5520 **within 24 hours** of injury
- Follow the advice of your doctor/medical professional
- Maintain regular contact with People Services, your Supervisor, Physician and WCB
- Participate in **modified duties** within the work restriction parameters provided by WCB and the Physician
- Enter your absence in SRB as Workers Compensation

Supervisor Responsibility

- The Supervisor/Principal should secure the accident site, if necessary
- Ensure first aid and/or transportation to medical facility, if necessary
- Provide Employee's Report of Injury form to injured worker
- Begin an investigation
- Notify People Services of the injury (safety@sturgeon.ab.ca)
