

# STURGEON PLUS PROGRAM

## What is Sturgeon Plus?

Sturgeon Plus aims to provide business discounts for employees. With close to 700 employees doing business throughout Sturgeon County we would like to promote a program that provides benefits to our employees and families.

## How much will Sturgeon Plus cost?

For you? Nothing. People Services provides this initiative as part of our focus on Health and Wellness. There will be no cost for the Sturgeon Plus Program other than the product and/or services you buy.

## How does Sturgeon Plus work?

If required, just print the *Proof of Employment* letter for any Business you approach.

Sturgeon Public School Division is always looking for businesses to add to our **Sturgeon Plus Program**. We ask you to take notice of businesses that might be willing to offer discounts to Sturgeon employees. If you find a business willing to participate please take a moment and share the deal with us by emailing [peopleservices@sturgeon.ab.ca](mailto:peopleservices@sturgeon.ab.ca) We will connect with the business, look after the details, and lastly we will share the discounts on the Staff Room at [www.sturgeon.ab.ca](http://www.sturgeon.ab.ca)
