TRUSTEES APPROVE 2019/2020 DEFICIT BUDGET

STURGEON COUNTY, AB—At last night’s Board meeting, the Board of Trustees passed a motion to accept the proposed 2019/2020 budget that results in a projected deficit of \$327 thousand.

Terry Jewell, Board Chair explains, “School Boards across Alberta are facing a challenging year ahead of them, and we are not alone in presenting a deficit budget to Alberta Education.”

Believing that Public Education is the foundation for a strong future, the Board approved operating budget will continue to support Sturgeon Public Schools’ mission: ...to create safe, respectful and collaborative learning environments where students are prepared to meet, and excel at, the challenges presented by the global community.
