## OFFICIAL OPENING & RIBBON CUTTING CEREMONY FOR THE CHATEAU STURGEON LODGE GREENHOUSE

LEGAL, AB – Sturgeon Public Schools and Homeland Housing are excited to invite you to the Official Opening & Ceremonial Ribbon Cutting of the Chateau Sturgeon Lodge Greenhouse in Legal, Alberta on June 20.

The Greenhouse is an initiative brought to life by a partnership with Homeland Housing and Sturgeon Public Schools' Intergenerational Program.

The Intergenerational Program, implemented two years ago, by Sturgeon Public Schools, is for preschool children. The Program engages seniors in the community of Legal with preschool aged children, through mentoring.

Each year, the Intergenerational Program has continued to expand, and this year, with Federal Government funding, along with countless hours of community volunteers, the Chateau Sturgeon Lodge Greenhouse is up and growing! In fact, the vegetables and flowers are flourishing in this nurturing environment, thanks to the green thumbs of some of the seniors at the Lodge and their preschool protégés.

Many of the seniors have a wealth of knowledge and information to share. "It's all about the transfer of knowledge, around growing and nurturing plants to these eager young children," explains Terry Jewell, Chair, Sturgeon Public Schools, Board of Trustees.

We invite you to join us for the Official Opening & Ceremonial Ribbon Cutting of the Greenhouse, which will take place during the Legal Carnival.
