MEMORANDUM

**Date:** December 8, 2021  
**To:** Board of Trustees  
**From:** Shawna Walter, Acting Superintendent  
**Originator(s):** Liliana LeVesconte, Associate Superintendent, Corporate Services  
Steve Schick, Director, Technology Services  
**Subject:** Monthly IT Report

---

**Purpose:**

For information.

**Background:**

Find attached a written IT Report for the month of November 2021.

Gibbons School is a *Bring Your Own Device* (BYOD) school and Sturgeon Composite High School students do currently bring their own devices to school. Certain applications, however, are not Sturgeon compliant and therefore, blocked through network access. In general, students bringing in their own devices is not encouraged due to network security reasons and requests for support.

The number of Chromebook devices per school is determined based on individual school requests.

Administration is prepared to respond to questions at the December 8, 2021, Committee of the Whole meeting.

Sincerely,

Shawna Walter, M.Ed.  
Acting Superintendent
